GOLDEN GOAL SOCCER GOALS

GOLDEN GOAL 44 SQUARE ALUMINUM GOALS

All Golden Goal™ soccer goals are manufactured with true, seamless fit throughout. 4"x4" square aluminum uprights and crossbar are extruded with safe 3/4" rounded radius on corners for safety. Uprights, crossbar and backstay are fully integrated with exclusive STAY-PUT™ net attachment design. With STAY-PUT™ there are no velcro, welded hooks, screws, nylon ties or plastic clips. STAY-PUT™ is the first, fully integrated net attachment system for soccer. Simply weave the attachment rope into the attachment notches located throughout the goal structure. Net will STAY-PUT™ until you are ready to remove it. Backstays are white powder coated galvanized 2" square tubing that is reinforced at all corners. All Golden Goal™ soccer units meet NCAA, NFHS and FIFA rules.

Includes padding compensation feature allowing goals to be assembled at official opening width or extended to compensate for thickness of upright padding.

Golden Goals include goal structure, backstays, ground bar, transport wheel kits, auger style ground anchors, and professional style hexagonal net.

WORLD CLASS SOCCER GOALS

WORLD CLASS™ 40 ROUND ALUMINUM GOALS

All Golden Goal™ soccer goals are manufactured with true, seamless fit throughout. 4" round aluminum uprights and crossbar are powdercoated white. First Team's World Class net fastening system attaches net securely in place. Once in place, net clips will not come loose or get lost. No more velcro straps, welded hooks, screws or nylon ties. Net fasteners will not become loose or cause misalignment of net. Backstays are manufactured of 100% galvanized 1 3/4" round tube and will not rust. Backstays designed extra deep for added stability and security and include built in portable wheel feature for ease of transport. Meet NCAA, NFHS and FIFA rules.

Includes padding compensation feature allowing goals to be assembled at official opening width or extended to compensate for thickness of upright padding. Include goal structure, backstays, ground bar, transport wheel kits, auger style ground anchors, and professional style hexagonal net.
